

Rape of the Creature
Act 2 Scene 5
Manpower

Mark Dunbar

Lame ♩=100

Kantell

March ♩=90

OK, does this sound all right

on her bare breast the heart of all her land whose ranks of blue veins his hand did scale left round tur-rets des-ti-tute des-ti-tute and pale

na-ture in her wis-dom

You know what Kantell:
I'd gladly do away with
men, fully!
